17 “New” Bike Adventures for Lake Constance Fans

Hot-off-the-Press: Lake Constance International Bike Tour Map

17 bike tours. 4 countries. 1 compact, easy-to-use map. The Tourist Board of Lake Constance proudly presents its new Bike Tour Map with select touring options in Germany, Austria, Switzerland and the Principality of Liechtenstein. While the Lake Constance Bike Route is indeed one of the most popular European cycling routes, there are hundreds of miles of superb bike paths in the surrounding area that travel through stunning international landscapes and meaningful cultural highlights. The bike map is online at bodensee.eu and available at all Lake Constance Tourist offices starting in spring, 2019.

Spring and autumn are the ideal seasons for exploring the 4-country Lake Constance region. The map offers a great selection of cross-border exploration and sightseeing for active, healthy fun including 2 easy tours, 14 intermediate, and 1 challenging option. The Lake Constance Bike Tour Map is available in English for international guests.

Each of the 17 routes includes the tour distance, cycling duration, altitude, signage and level of difficulty, making it easy to plan the perfect day in the Lake Constance region. The tours are mobile phone compatible using a QR code.

Helpful Support Features include suggestions on ...

- * How to take bikes on public transportation
- * Luggage support
- * Bike rental locations
- * Bike-friendly accommodations
- * Distance table

This printed map complements the online “Bodensee Tour Portal” (www.touren.bodensee.eu) where cyclists find over 300 additional tour suggestions.
